ATTENDANCE POLICY

As required by the Stallworth Charter School funding source, children must attend five (5) days per week. Your child should attend up to three (3) hours each day to receive the mandatory academic assistance and enrichment curriculum. Student must participate in one half of the daily program to be considered present. If your child is picked up prior to this time she/he will be considered absent. Daily attendance is required. If your child has three (3) unexcused absences, he/she will be removed from the Stallworth Charter School After School Program and will need to reapply. Every time he/she is absent, your child does not receive the extra support he/she needs and the group misses his/her participation. There may be a waiting list so please make sure your child attends every day.

SIGN OUT POLICY

Safety is top priority in the Stallworth Charter After School Program; therefore, no child enrolled in this program will be released from the program without parent/guardian signature or individuals 16 years or older, listed on the registration form. Each student must have his or her own registration form on file.

EARLY RELEASE POLICY

4. Child accidents that occur during program time (Site Director or staff will notify parent or guardian).
5. Religious obligations/events
6. Transportation - Attending a school or community event such as (basketball, football, soccer game, etc.) Making this part of the child's enrichment program.

Whatever the case may be, staff will record the date and time of the early release departure of the child. Parent, guardian, or staff should sign the child out; in the case of staff signing out the child, it is recommended that the child's signature or initial be recorded as well.

HOMEWORK POLICY

Homework time is scheduled during the After School Program in addition to other activities. During this time staff members are available to answer homework questions and provide help. The homework area will be kept silent to help the student's concentration. We do not guarantee that all homework is completed or correct. You and your child should review their homework at home.

You can help your child make sure their Stallworth Charter School home work time is a success.

1. Remind your child of your expectations regarding homework.
2. If students say they have no homework an alternate assignment will be given to them (i.e., Math practice, reading or writing assignments).
3. Remind your child to bring their homework with them from class to our after-school program and to turn in their homework the following day. Encourage your child to ask for help from staff when they need it.
4. Please remind your child that homework time is quiet time.
