## **STUDENT CHROMEBOOK AGREEMENT FORM**

Dr. Lewis D. Stallworth, Sr. Charter School (DLSSCS) may provide Chromebooks or Chromebook tablet devices to students enrolled in its school. DLSSCS understands the need for students to have access to proper learning materials. DLSSCS loans its students' Chromebooks with no deposit required and expects these Chromebooks to be returned in good condition.

Chromebooks that are lost, stolen, damaged, or defaced will result in a demand for payment (see table below). During the time that outstanding fees remain uncollected, and after due process has been afforded, grades, transcripts, report cards and other school privileges may be withheld. If payment becomes necessary and full payment cannot be made at once, a payment plan will be offered by DLSSCS.

This policy has been implemented to ensure that the public resources provided to DLSSCS are used efficiently and effectively to ensure that all students have the instructional materials that they need and deserve.

If you have any questions concerning Chromebook issues, please contact your school within ten (10) days of receipt of this notice. Chromebooks are due when checking out of school at the end of the school year.

YOU, as a student, are responsible for the Chromebook assigned to you:

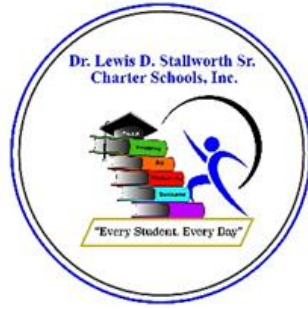

- Keep your Chromebook on campus (or at home if applicable) and treat device with care
- Do not add stickers or markings to the device except for the sticker placed on it for assignment
- Do not damage the Chromebook
- Do not leave the Chromebook plugged in when it is fully charged, as this will damage the battery and you will be responsible if the battery is damaged
- The Chromebook is intended to be used for school purposes only and usage will be monitored remotely
